## Career Aptitude & Recognition Test (CARTest)

**Open to Students in CLASS 9 & 10**

World Genius Council is introducing **Career Aptitude & Recognition Test (CARTest)** for students studying in **Class IX and X**.

Now it is crucial to choose a futuristic career due to the newly emerging technologies like Artificial Intelligence, Machine Learning & Robotics.

The decision to choose the right path forward is very important. CARTest is the precise tool which can guide you to decide the best.

### **Why CARTest?**

The CARTest identifies a child's aptitude towards various futuristic careers. CARTest helps them to have a SWOT (Strength, Weakness, Opportunities and Threats) Analysis of their aptitude, emotional strength, general adaptability to face new problems in life and the ability to engage in abstract thinking.

CARTest identifies strengths, limitations and weakness of a student apart from the aptitude towards various careers. Identifying the weakness can help us to go for the remedial measures to turn it positive. It also analyses their capacity for knowledge and the knowledge possessed. CARTest scans their judging ability, understanding and reasoning power. In general, the complete cognitive ability to

choose the way most appropriate for their career without narrowing down the options at any point of time.

### **The Result & Career Options**

We identify and list the following after analyzing the student's responses to CARTest Questions.

1. 20 Career domains depends on priority and interest.
2. The educational path to achieve priorities.
3. Logic on a scale of 0 to 9
4. Strengths, weakness and limitations.
5. Remedial measures to overcome the weakness.

The Result Report will be emailed or couriered after 10 days on the receipt of the answered question booklets.

### **Advantage CARTest**

The scientifically designed CARTest is administered at different levels for the students studying in class IX and X.

Many careers available today and many may vanish by the time a 10<sup>th</sup> Grade student complete graduation. New unheard career opportunities can pop up. Under the prevailing conditions, futuristic careers are dynamically derived with time. The choice of study stream should be able to adapt to a newly derived career at the time when the student is ready to start her / his professional life. The CARTest

result will take care of this fundamental yet ultimate requirement.

### **Homely Comfort**

The test is casual and the student can take it at home. The candidate should take the test in good mood, preferably in the morning. The answers should be marked in the space provided against each question.

Answering the questions honestly will lead to right results and hence perfect guidance.

The test's duration is for 2 hours, in which the student attempts 150 questions with multiple answers. Questions are meant to know the Aptitude & identify Personality, Logic, Critical Reasoning, Situational Diagnosing Ability,
