4. The WGSE Scores: GPS & GII

As explained in the Handbook, apart from Global Genius Awards and the above-mentioned benefits, WGSE offers two scores.

a. Global Percentile Score™ (GPS)

Global Percentile Score (GPS) is the Grade / Class wise score offered globally every year. Though GPS is the primary score confined to the respective years, the second score is more precious than GPS due to its wider applications and analysis.

b. Global Intellectual Index™ (GII)

Global Intellectual Index is the most sought-after caliber measurement score derived from all the WGSE participating years. It has detailed analysis too. GII is offered on a scale of 0 to 9. Consistent WGSE participation ensures more reliable and precise GII as it is calculated using all the scores from the base (first) year to current year.

VERY IMPORTANT:Please ensure that the students those who have participated last year is registering for WGSE 2021 to keep the validity of their GII Score. A break in the continuous participation WGSE can result in the lapse of GII score

c. Extensive Report on GII & Performance
